Action taken Report on Feedback on Curriculum 2017

In the 15th board of studies meeting (PG and Pharm.D) which was held on 7th March 2017 there was discussion regarding library facility upgradation for M.Pharm as per the feedback by teachers. The committee also decided to train PG teachers in new subjects of PG program as per the feedback of external members. In the previous BOS meeting, the committee decided to review and update the examiners panel of B.Pharm. Few names from Industry are added in the list. As per the feedback received by teachers, it was decided that in PharmD 3rd year Medicinal Chemistry theory, specified compounds mentioned in the list will be taught for synthesis. All the members agreed for the same.
