## Action taken Report on Feedback on Curriculum 2020

In the 21<sup>st</sup> board of studies meeting (UG) held on 29<sup>th</sup> February 2020, members discussed and finalized about the practice school modules. As per the feedback received by teachers and external members, 12 modules with different domains need to be prepared. The format for evaluation of practice school was also finalized.

As per the feedback received by teachers, members decided to provide X-Pharm software for conduct of simulated experiments with examination module in Pharmacology II and III practicals.

As per the recommendations of external members, 150 hours industrial or hospital training was made compulsory for B.Pharm students after 6<sup>th</sup> Sem before the completion of 7<sup>th</sup> Semester.
