

REGISTRATION FORM

Workshop on “Trends, Advances and Applications of Chromatographic Techniques for purification of Phytochemicals”

On 21 March 2020. Registration Fees: Rs. 300/- [Cash/Demand Draft]

Name:

Dr./Mr./Ms./Mrs.....

Designation:.....

Institution:

Address:

Mobile No:

E-Mail ID:.....

Bank/ D.D. No.:.....

Branch/Dated:.....

Signature of the participants

Signature and seal
Principal/ HOD

DD drawn in favor of *Principal, KLE College of Pharmacy, Belagavi* drawn on any nationalized bank, payable at Belagavi.

CHIEF PATRON

Dr. Prabhakar B. Kore, M.P
Hon. Chancellor, KAHER, Belagavi
(Deemed to be University)

PATRON

Prof. (Dr.) Vivek Saoji
Hon. Vice-Chancellor, KAHER,
Belagavi

CHIEF CO-ORDINATOR

Prof. (Dr.) Sunil Jalalpure
Principal,
KLE College of Pharmacy, Belagavi

CONVENER

Dr. M B Patil
Professor
Department of Pharmacognosy
KLE College of Pharmacy,
Belagavi.

PROGRAMME CO-ORDINATOR

Dr. Satish Kavatagimath
Asso. Professor
Department of Pharmacognosy
KLE College of Pharmacy,
Belagavi.

KLE Academy of Higher Education and Research, Belagavi

Reaccredited 'A' Grade by NAAC Placed in category 'A' by MHRD, Govt. of India

B. Pharm is accredited from 2019 to 2025 by NBA, New Delhi. (06 Years)

ONE DAY WORKSHOP ON

“Trends, Advances and Applications of Chromatographic Techniques for purification of Phytochemicals”

21 March 2020

Organized by

Department of Pharmacognosy

KLE College of Pharmacy Belagavi

Ph.0831-2471399, Fax:0831-2472387

E-mail: principal@klepharm.edu

About the Department:

The department Pharmacognosy is well equipped and established department that offers conducive learning environment, extensive training for and development of skills relevant to natural product research, Isolation, screening and characterization of plant and microbial secondary metabolites, plant tissue cultures of endangered medicinal plants and herbal formulations with focus on phytochemical screening of natural drugs. The department has produced trained human resources, quality post graduates and PhD scholars who are well placed in industry and academia. Faculty of the department have publications in the journals of national and international repute.

It has well equipped, spaced laboratories with modern equipment's viz, Flash Chromatography, HPLC, Rotary evaporator with Chiller, Trinocular Microscope, and Muffle Furnace etc.

Dr. Prabhakar Kore Basic Science and Research Centre, Belagavi:

The research centre with a built up area of 10,000 Sq. ft. and state of art facilities is actively involved in basic and applied works on key areas like drug delivery, pharmacokinetics, pharmacodynamics, molecular biology, microbiology, natural products and cell culture research. Amenities available include HPLC, HPTLC, Atomic Absorption Spectroscopy, Semi-auto-analyzer and other sophisticated equipments.

About the speakers:

Eminent speakers from industry and academics are going to expose students and faculty members to present scenario of chromatography and its' applications.

Who can attend the Workshop?

- Candidates having minimum qualification of Degree in Science.
- Post Graduate Students of Science Pharmacy and Biological sciences.
- Research Scholars, Faculty members

About the Workshop Objectives:

The objectives of the workshop are:

- To understand the basic theory behind chromatographic separation.
- To understand basic instrumentation and components of high performance liquid chromatography.
- To provide basic guidelines to various aspects of analytical, preparative & process chromatography.

Topics to be covered:

- Principles of liquid chromatography
- Basics of HPLC
- Applications of HPLC
- Sample preparation & Method development
- Sample analysis & Quantification
- Method validation & recovery studies
- Practical/Hands on training/ Demonstration of HPLC.

Note: As the number of delegates has to be restricted at 50, registration will be considered on first come, first serve

K.L.E Society: Moment of change swept across the landscape of Karnataka and Maharashtra with the birth of KLE Society in 1916 by the vision of group of dedicated founders. This society is now acknowledged as phenomenon that has defined a meaning of quality education in the region. Today, K.L.E Society manages 267 institutions with student strength of more than 1.5 Lakh and 16,000 faculty offering world class education in Healthcare, Agriculture, Engineering, IT, Law, Pharmacy and other paramedical sciences.

KLE Academy of Higher Education and Research: Yet another chapter in the history of society was begun with a newly formed KAHER, sponsored by K.L.E Society, is recognized by University Grants Commission (UGC), reaccredited "A" grade by NAAC and placed in category "A" by MHRD, Govt. of India. KAHER takes immense pride in its curriculum and endeavors to provide internationally accepted education and healthcare practices. Setup in a sprawling campus and equipped with latest infrastructure and other facilities, KAHER is set to highlight the K.L.E Society's commitment to education for the world to see.

KLE College of Pharmacy, Belagavi: It was the first private institution in Belagavi to start a professional diploma course in Pharmacy in 1968. The college introduced B. Pharm degree course in 1975 and Post- Graduation in 1988, Doctoral Degree from 2000 and Pharm. D from 2014. B. Pharm Program is accredited from 2019 to 2025(06 Years) by NBA, New Delhi, which is another remarkable achievement for our institution. All the courses run by the institution are recognized by Pharmacy Council of India, All India Council for Technical Education and University Grants Commission. As the mark of recognition, the college has received grants from ICMR, VGST AICTE and DST etc.
