## Action Taken Report

Total 50 faculties given feedback on curriculum for the year 2021-22.

- 45% of the teachers strongly agreed and 54.9% agreed that the content of the course includes all the topics as prescribed by the regulatory bodies/council
- 33.3 % of the teachers strongly agreed and 66.7% agreed that the course content help students to acquire relevant knowledge and skills
- 21.6% of the teachers strongly agreed and 64.7% agreed that the course content was subdivided into must to know/core, nice to know, good to know categories/ noncore
- Teachers agreed that they use various teaching methodologies such as Lectures 98%, team based learning 31.4 %, case based learning 23.5%, small group teaching 35.3 % bed side teaching 21.6%, one minute preceptor 3.9 %, hands on training 62.7 %, use of skill labs 29.4 %.

Teachers also wrote, they also teach by blended teaching, conducting seminars, group discussion, quiz, field visit, herbal garden visit, project-based learning, live demo, showing video clips and charts etc.

94.1 % teachers agreed that the present infrastructure and resources are sufficient. However, few staff suggested that they require Mannequins, updated instruments and softwares and Hi tech equipments for research purpose.

These suggestions will be discussed in the forthcoming board of studies meeting.
