**Subject: Accreditation status of UG-Pharmacy program applied by KLE College of Pharmacy, J.N. Medical College Campus, Nehru Nagar, Belgaum- 590010, Karnataka.**

Sir,

This has reference to your application I.D. No. 2962-05/06/2018 seeking accreditation by National Board of Accreditation to UG Pharmacy program offered by **KLE College of Pharmacy, J.N. Medical College Campus, Nehru Nagar, Belgaum- 590010, Karnataka.**

2. An Expert Team conducted on-site evaluation of the program from 08th to 09th November, 2019. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the program as given in the table below:

SL No.	Name of the Program (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Pharmacy	January 2016 Document	Accredited	Academic Years 2019-2020 to 2024-2025 i.e. upto 30-06-2025	Accreditation status granted is valid for the period indicated in Col-5 or till the program has the approval of the competent authority, whichever is earlier

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

5. The accreditation status awarded to the program as indicated in the above table does not imply that the accreditation has been granted to **KLE College of Pharmacy, J.N. Medical College Campus, Nehru Nagar, Belgaum- 590010, Karnataka** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program accredited, level of program and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above program is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited program as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
